

# Kansas License Verification Portal How To Guide

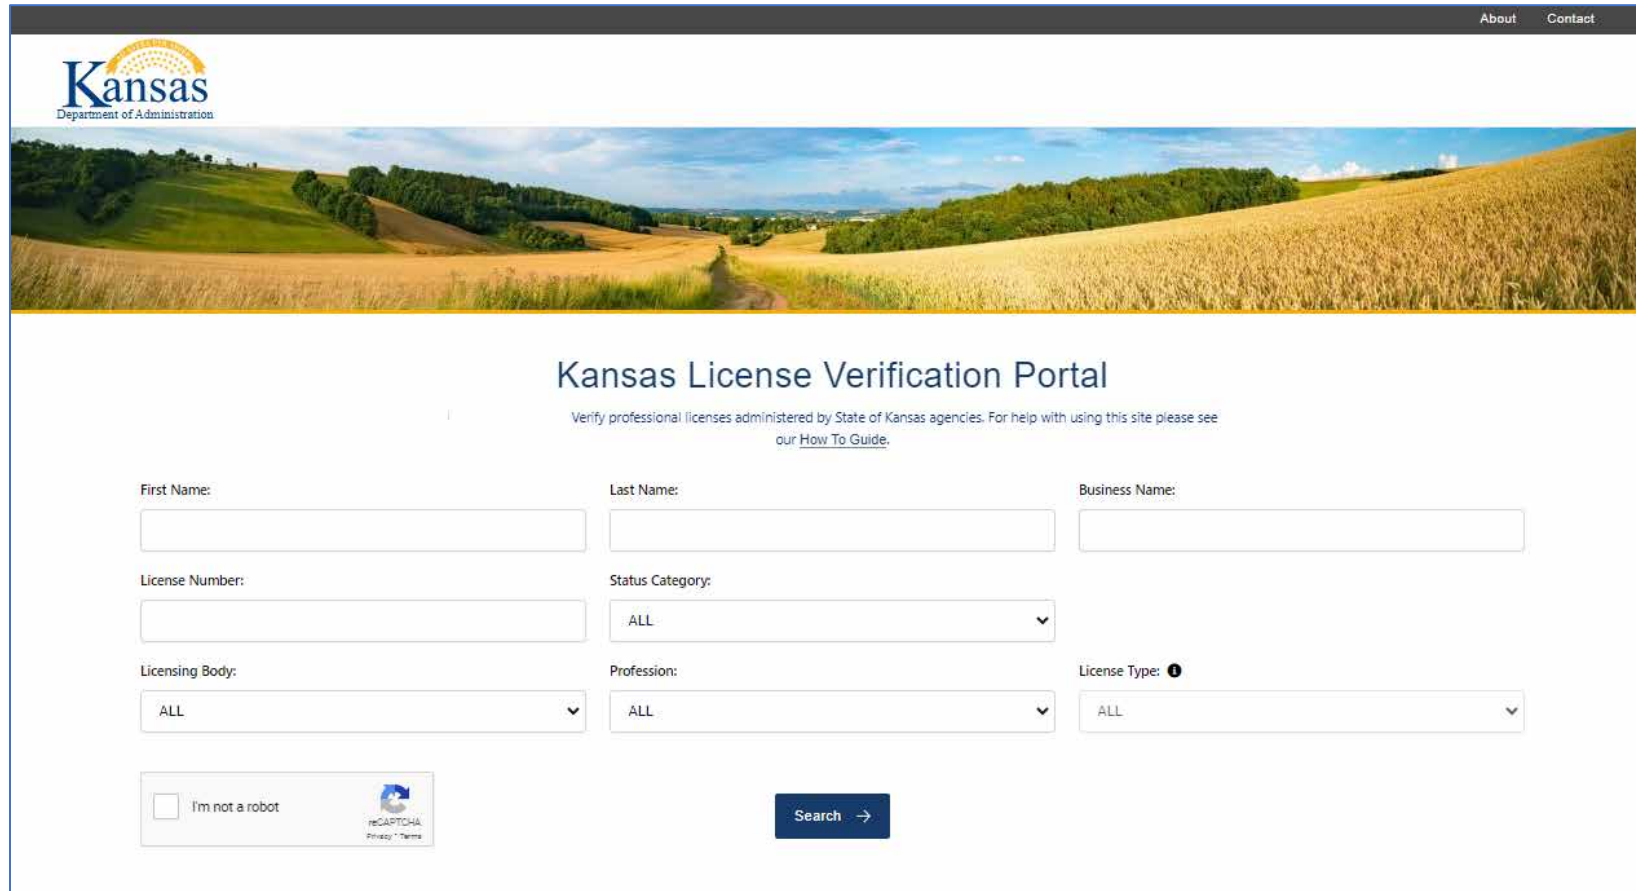

The Kansas License Verification Portal was created in 2024 when the Legislature passed [Senate Bill 66 \(2023\)](#) which set forth that the Department of Administration create a central location for the purpose of verification of professional licenses. This verification portal is for organizations to verify a license. This data is updated at least daily and is not the primary record source. Please contact the licensing body/agency if more information is needed about a license.

## Search Form

The screenshot shows the Kansas License Verification Portal search form. At the top left is the Kansas Department of Administration logo. The header features a landscape image of rolling hills and a field. The main heading is "Kansas License Verification Portal" with a subtitle: "Verify professional licenses administered by State of Kansas agencies. For help with using this site please see our [How To Guide](#)." The form includes input fields for First Name, Last Name, and Business Name. It also has dropdown menus for License Number, Status Category (set to ALL), Licensing Body (set to ALL), Profession (set to ALL), and License Type (set to ALL). A reCAPTCHA "I'm not a robot" checkbox is present, along with a "Search" button with a right-pointing arrow.

## Instructions

1. Enter criteria in the fields or leave blank/ALL to Search. You may enter partial names or numbers.
2. To choose License Type, first choose a Licensing Body and a Profession.
3. Click the checkbox on 'I'm not a robot' and complete the image selection.
4. Click the Search button to begin the search.
5. To start a new search, clear or change the form fields and click Search again.
